Halo Report

“We are making all things new!”

Wednesday, October 1, 2008

Important information

- A Nutritious Lunch Program can begin in October with your support. Additional support is needed to move forward with the Lunch Program. Please return the surveys immediately. We received 40% of the surveys and in order to proceed with the program, we must have a solid 60% support and participation.
- As of September 30th, Transportation cards for October are available in the office for pick up.
- A number of students are sent to the office with headaches and stomach aches before 10:00 a.m. due to not receiving breakfast or proper rest for school. It is important for kids to eat breakfast before coming to school!
- As of September 30th, All students should be in uniform. Please notify the Office if there are special exceptions.
- 8th Grade Class Meeting on Wednesday, October 15, 2008 at 6:30 p.m.
- Register on line to be a volunteer at www.Adw.org. It is important to know that the following criterion for volunteers is required:(1) Everyone will be fingerprinted; (2) Must complete Virtuous Training online or at St. Augustine Catholic Church on October 4th at 10:00 a.m.; (3) You will be interviewed by the principal to determine your availability for scheduling purposes. We need help during lunch time, recess, Friday mass, and assistance with reading and math. **If you need assistance to register on line, call the office for help.**
- If possible, please schedule doctor and dental appointments after school to prevent students from missing instructional time.
- Tardiness, absences and early dismissals are increasing. (This is not a good sign.) Again, it is important that students receive the full experience of each class. Please be mindful of this matter. This will affect your child's Progress Reports and their opportunity to receive Awards.
- **IMPORTANT**...Orders and Money for the fundraiser was due on September 29th. Please plan to pick up the orders on Wednesday, October 15th. Thank you for your support! See Mrs. Grymes if there are questions.
- Aftercare contact information should be updated – contacting parents is becoming a concern.
- **Fannie Mae's Help the Homeless Walk** --- Oct. 15th before 8:30 a.m. Please return the registration form to be included and to receive a free T-shirt. Adults can register for \$25.00.
- All financial matters must remain current. Contact Smart Tuition to satisfy your account.

Reminders:

- Health Fair October 25-26, 2008. Everyone is invited to attend!
- Blood Drive Sunday, October 26th from 9:00 a.m. – 3:00 p.m.
- Please return the Nutritious Lunch Program Survey! Your support is appreciated!
